

This page was intentionally left blank.

Actually, I couldn't figure out why this page insisted on being blank, so here is the explanation so you all don't get confused.

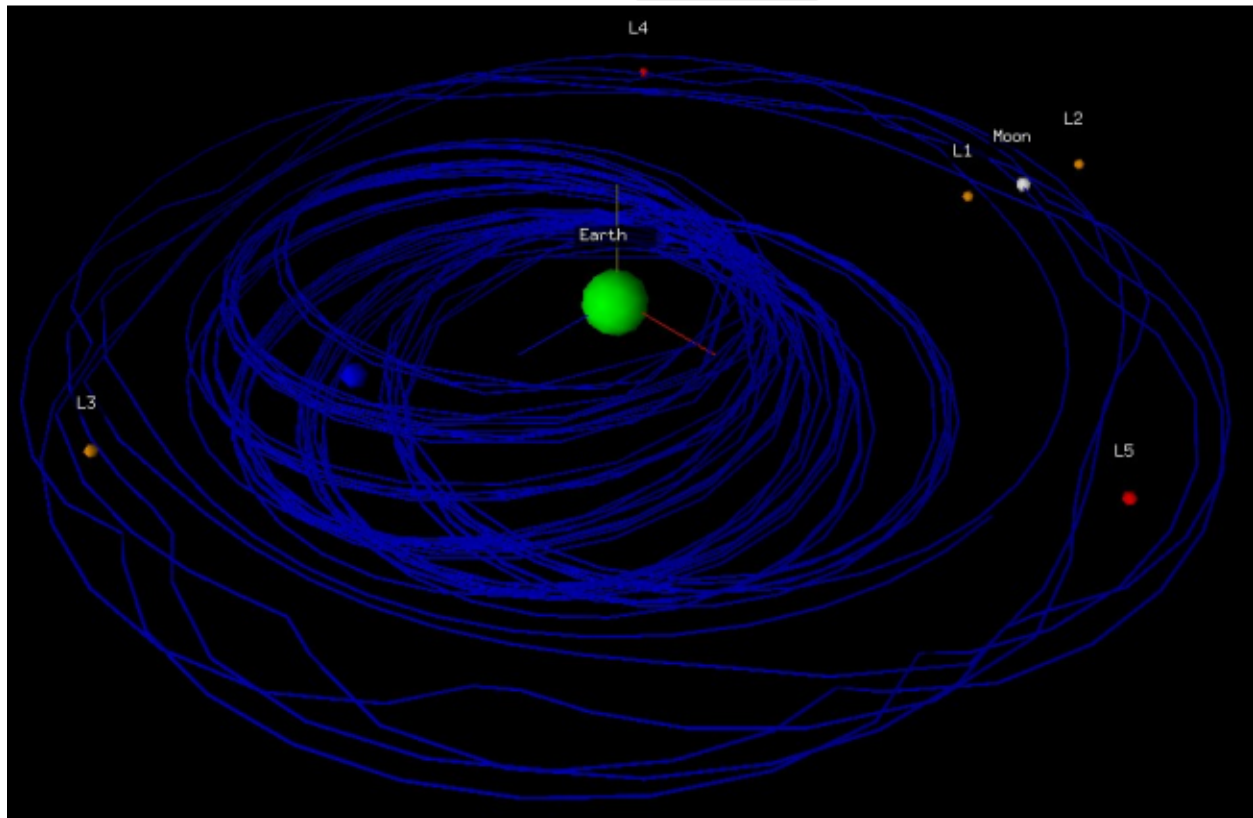

Needless to say, I didn't include this page in my report.

The actual report begins on the next pages. The color pages belong in the data section. I did it this way to save on the outrageously high cost of color printing at Walter library.

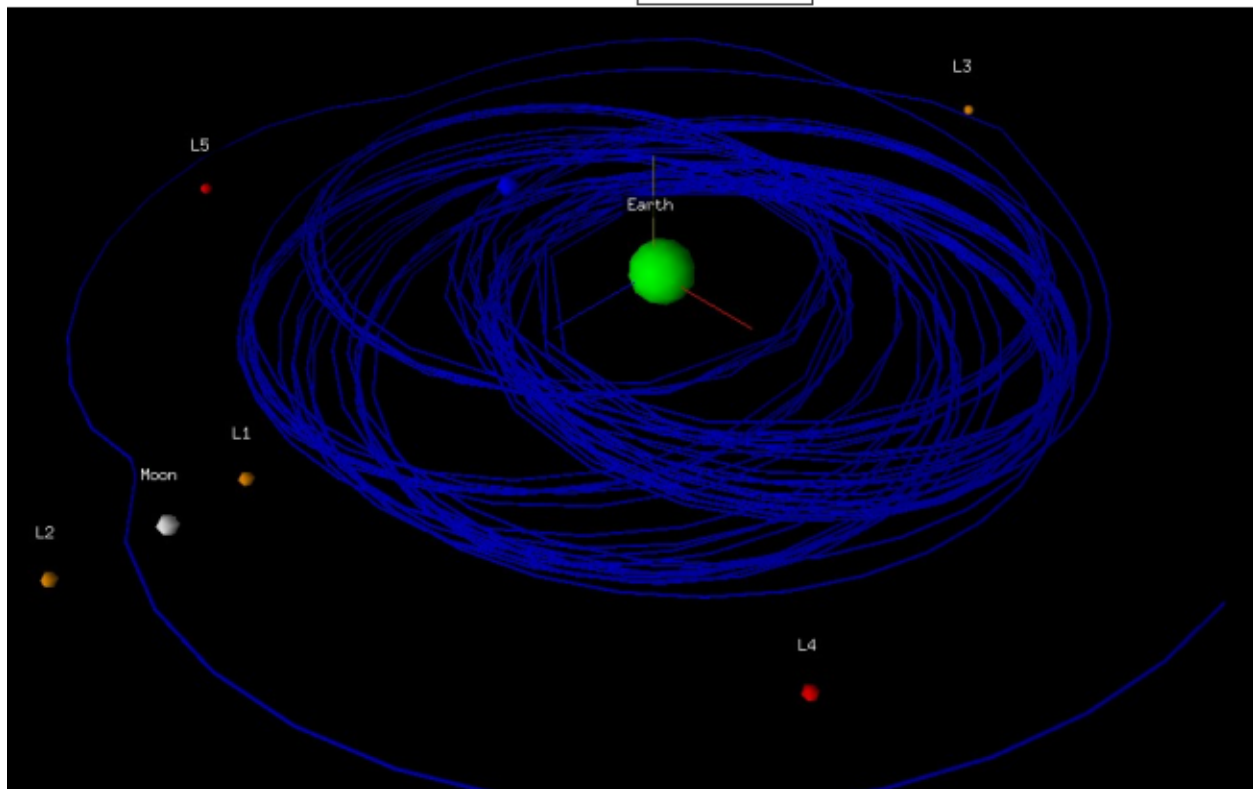

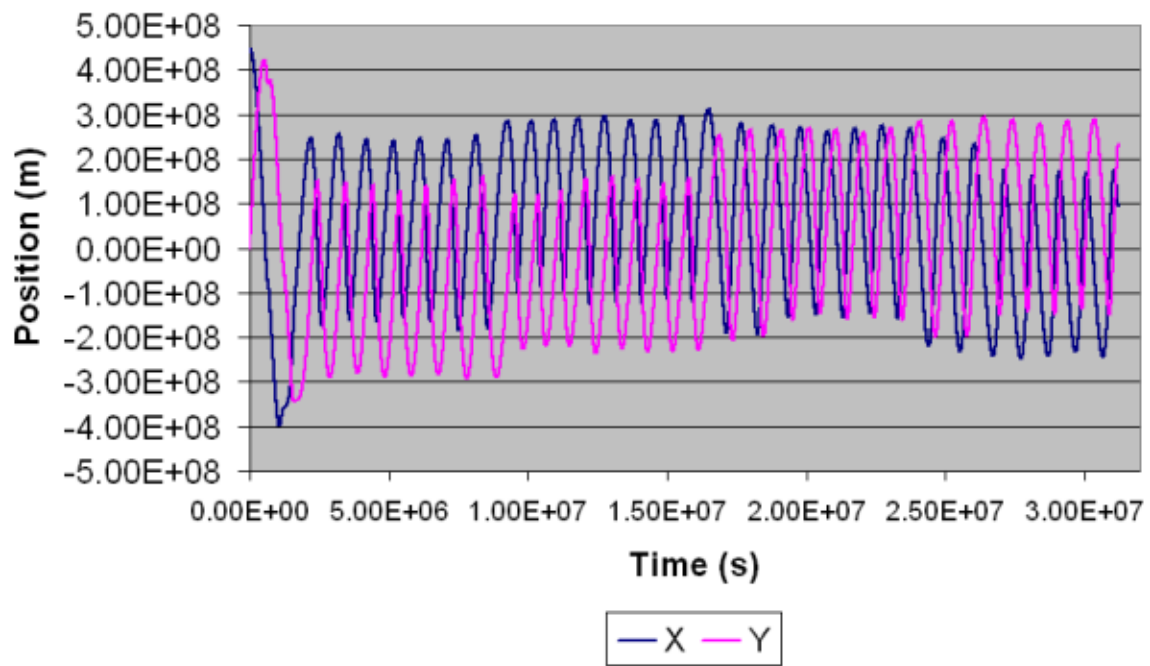

## Lagrange Point 1

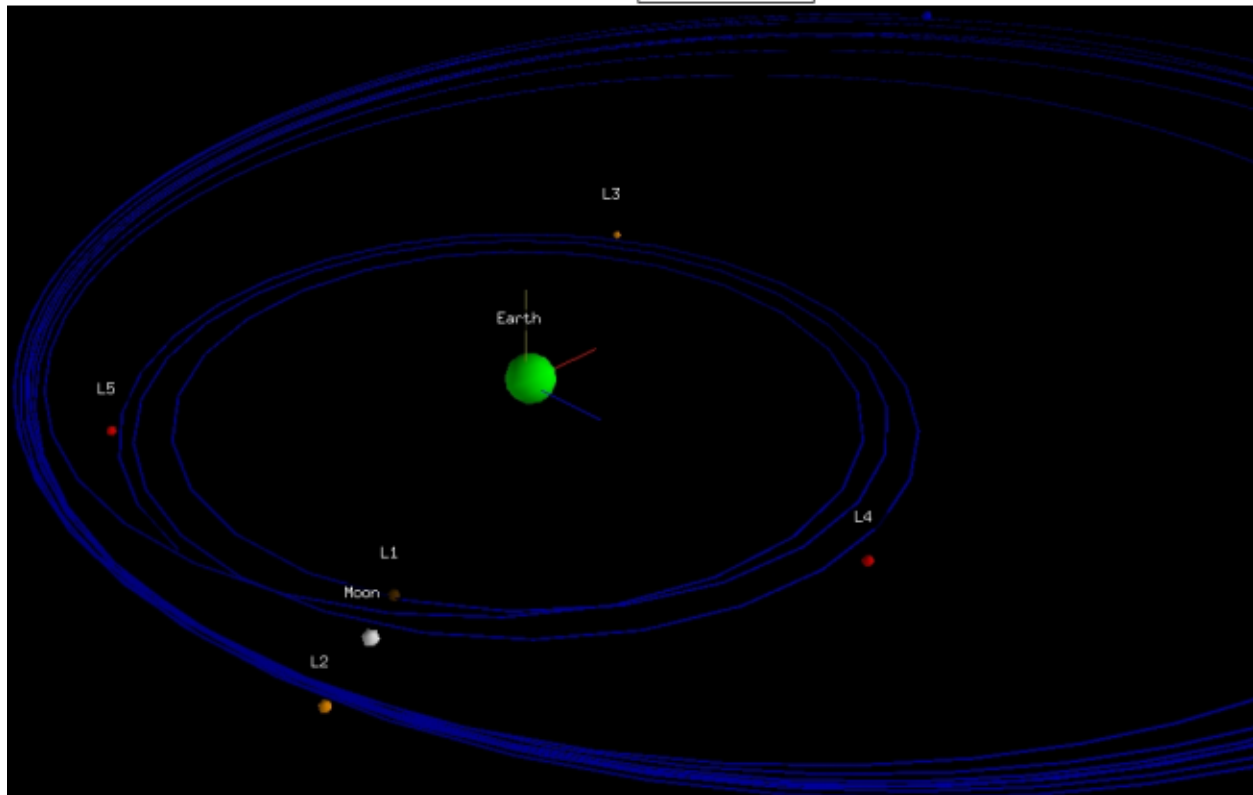

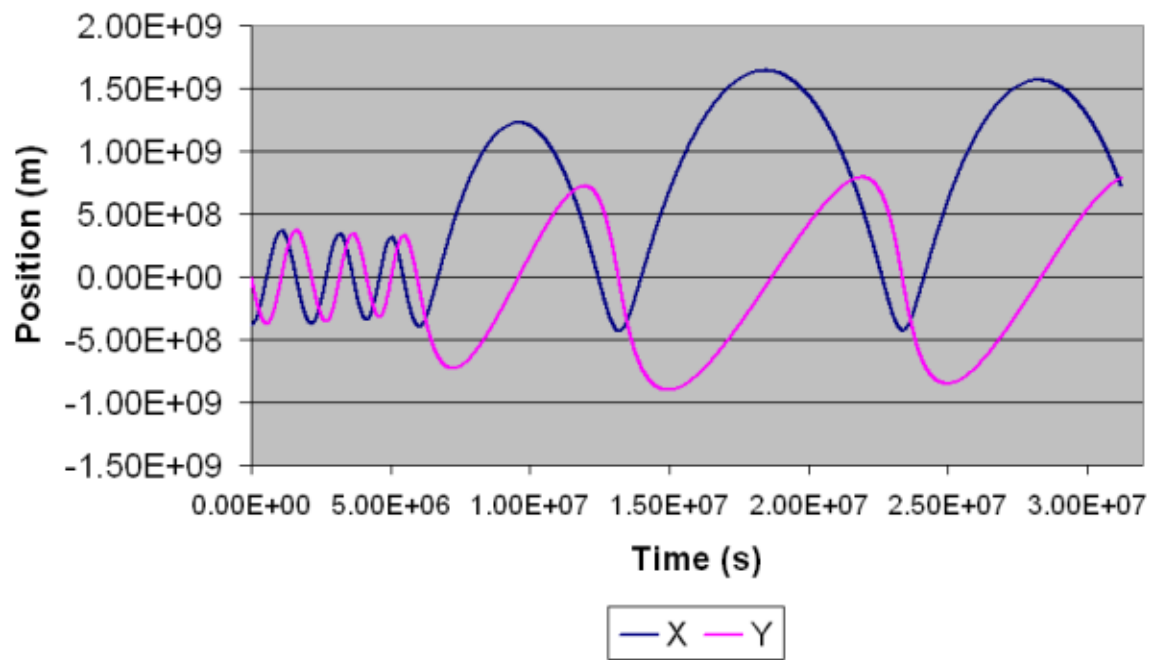

— X — Y

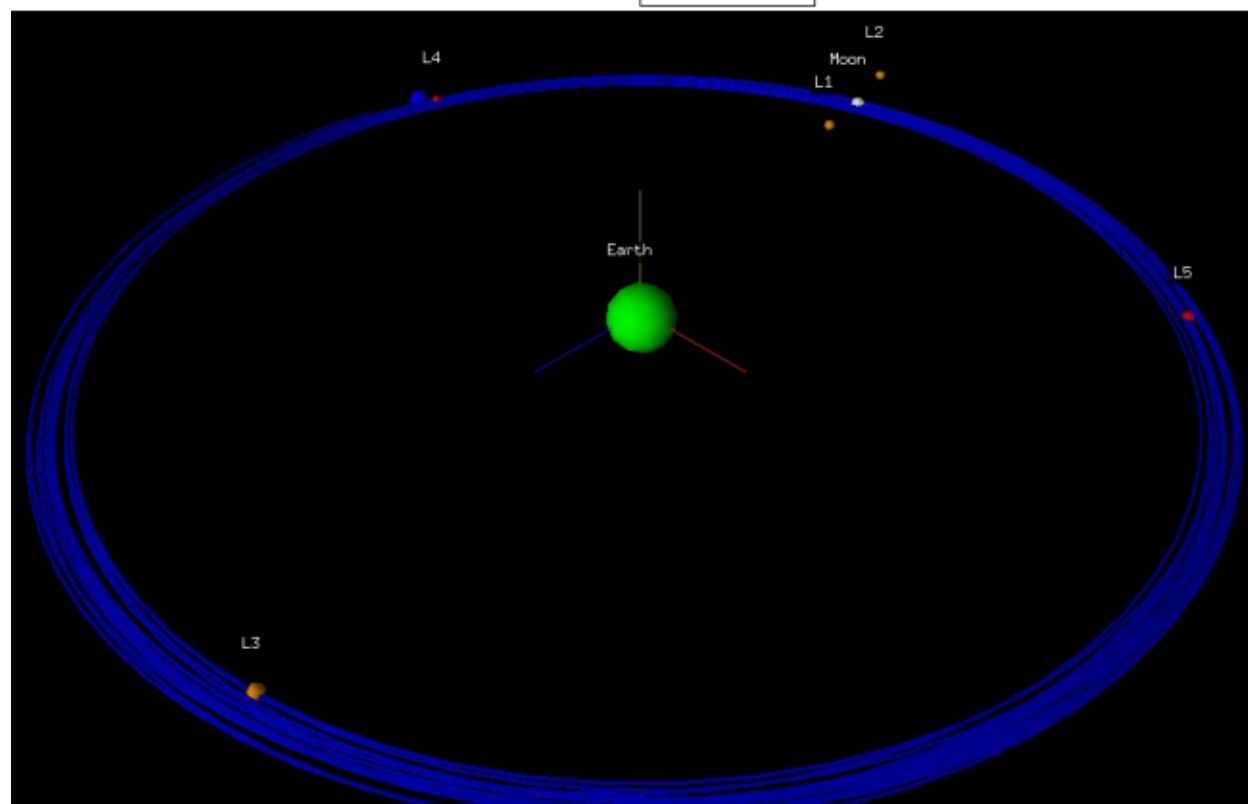

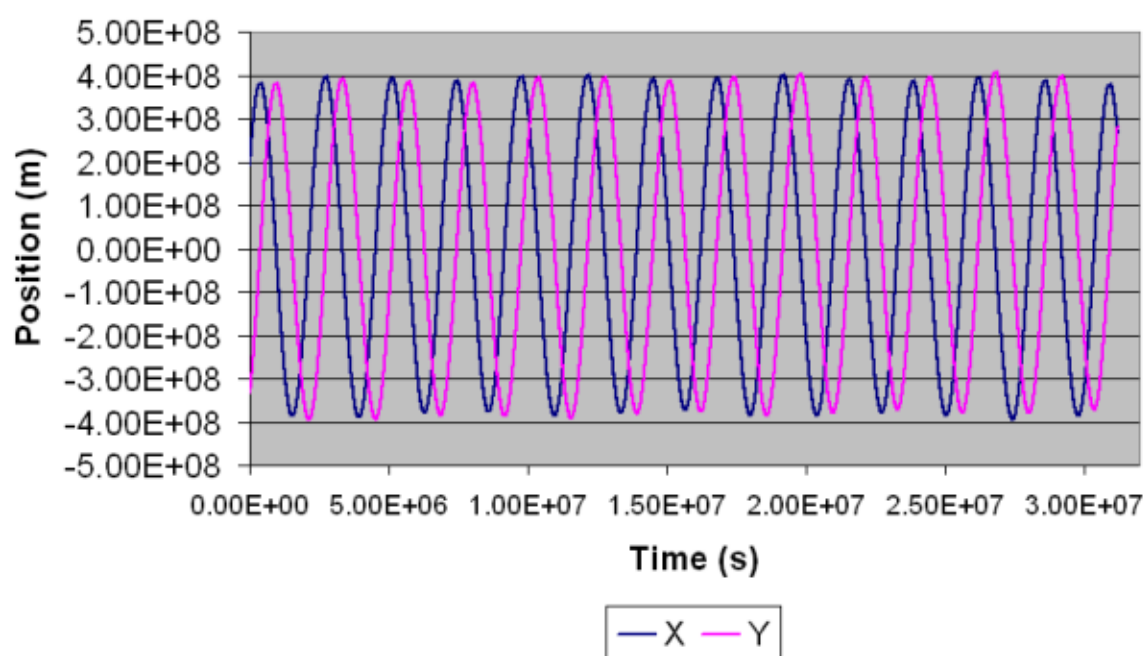

## Lagrange Point 2

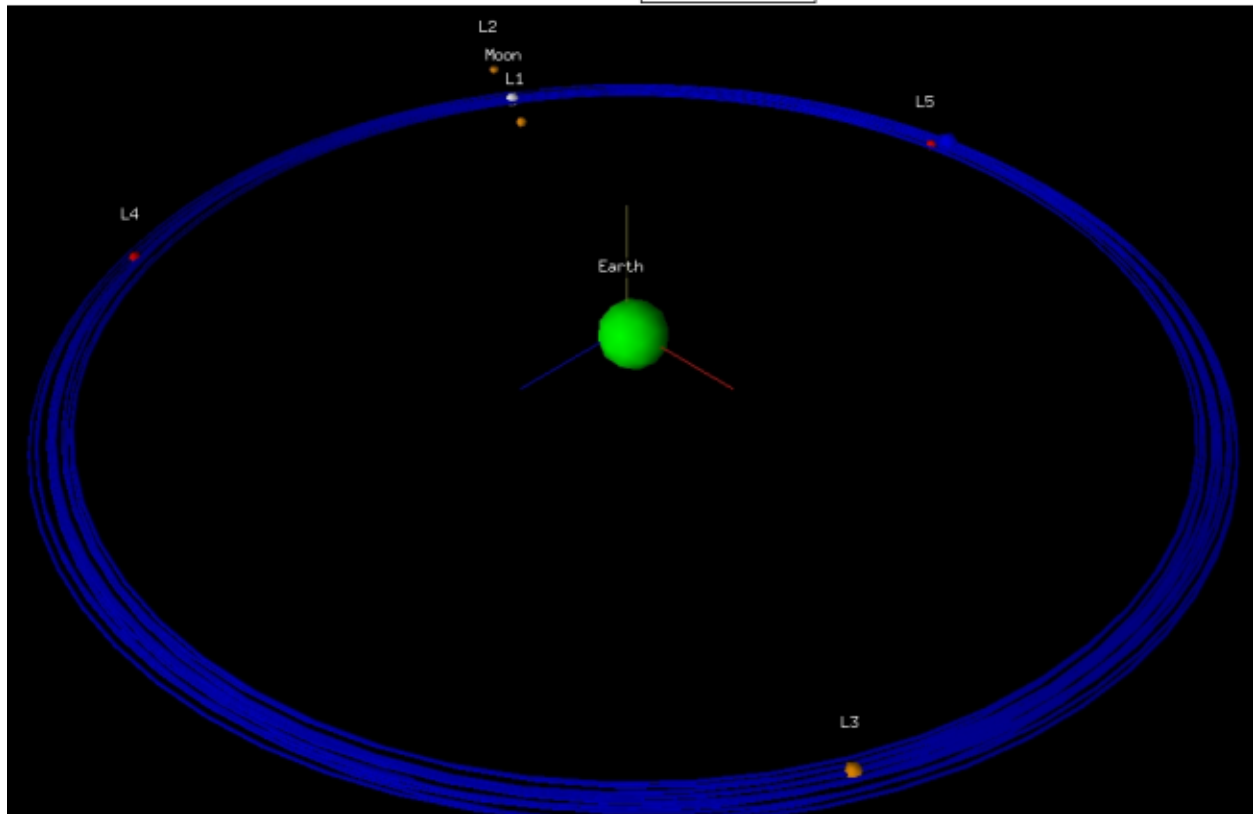

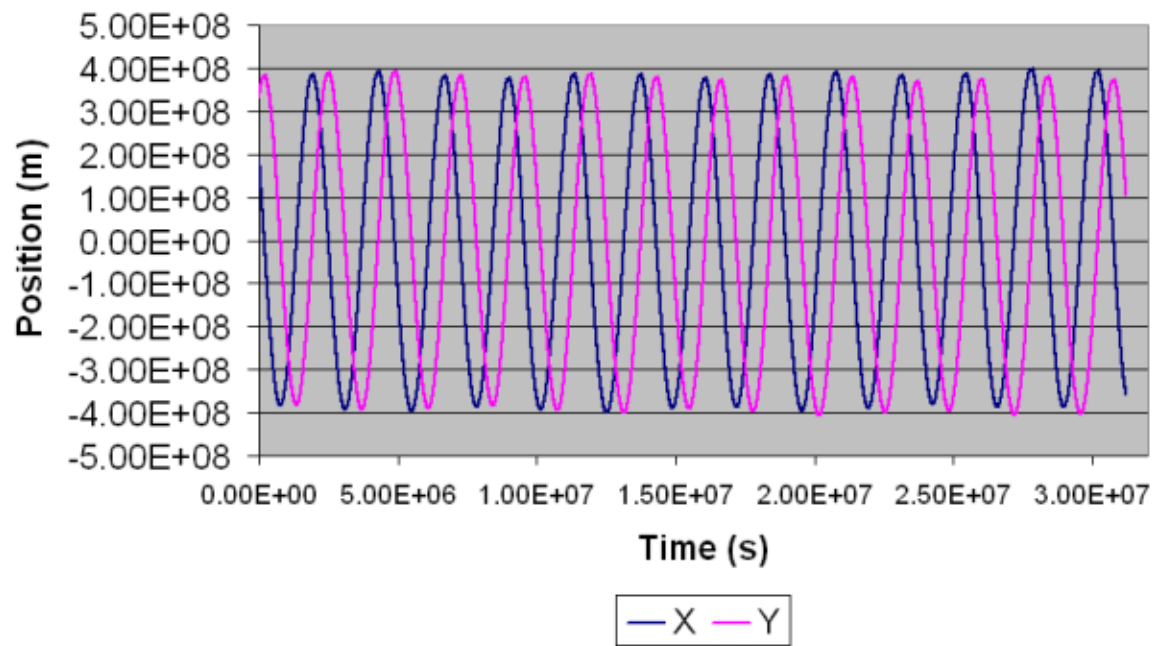

## Lagrange Point 3

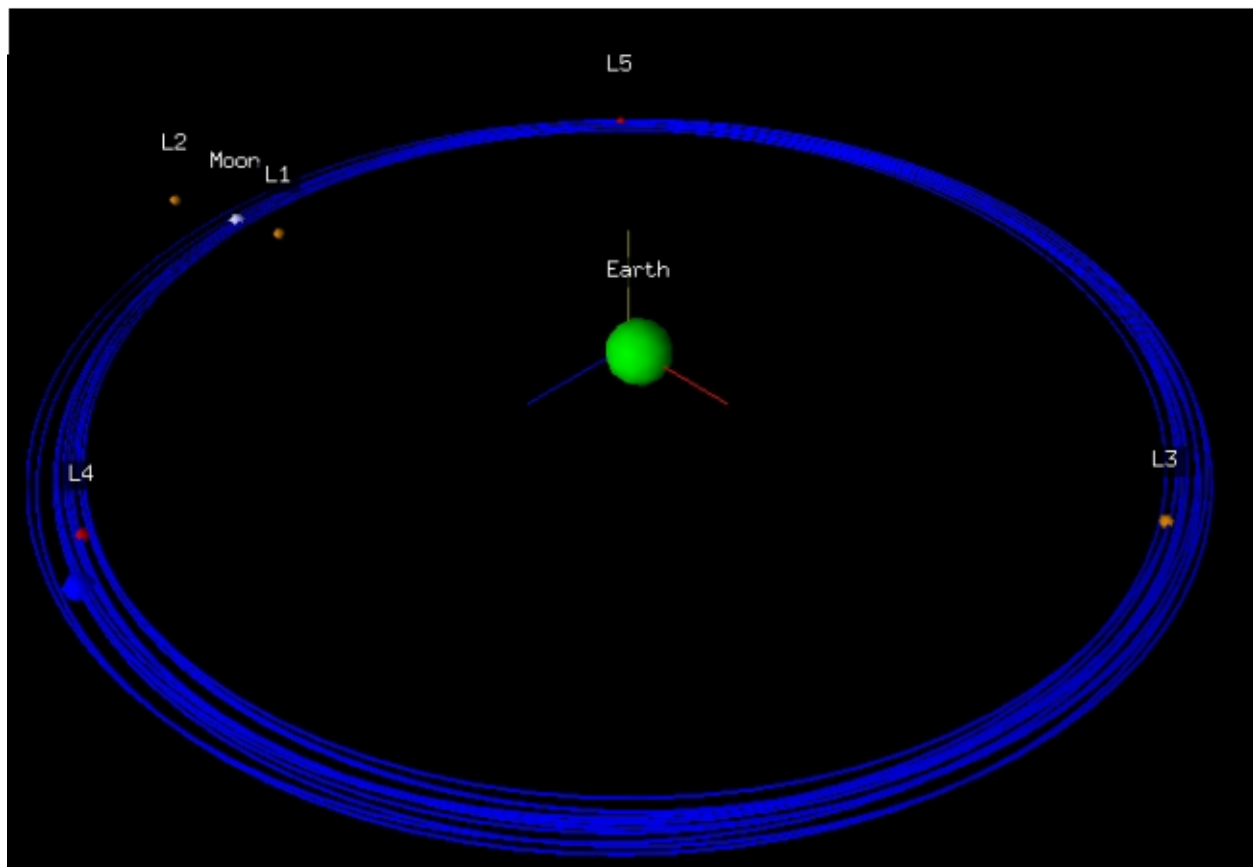

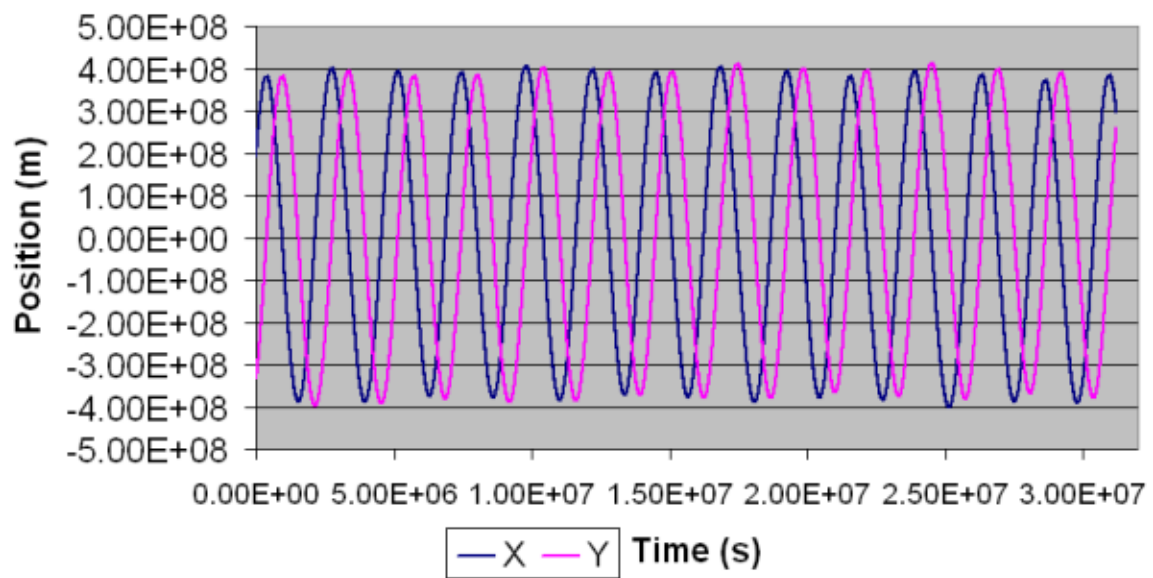

## Lagrange Point 4

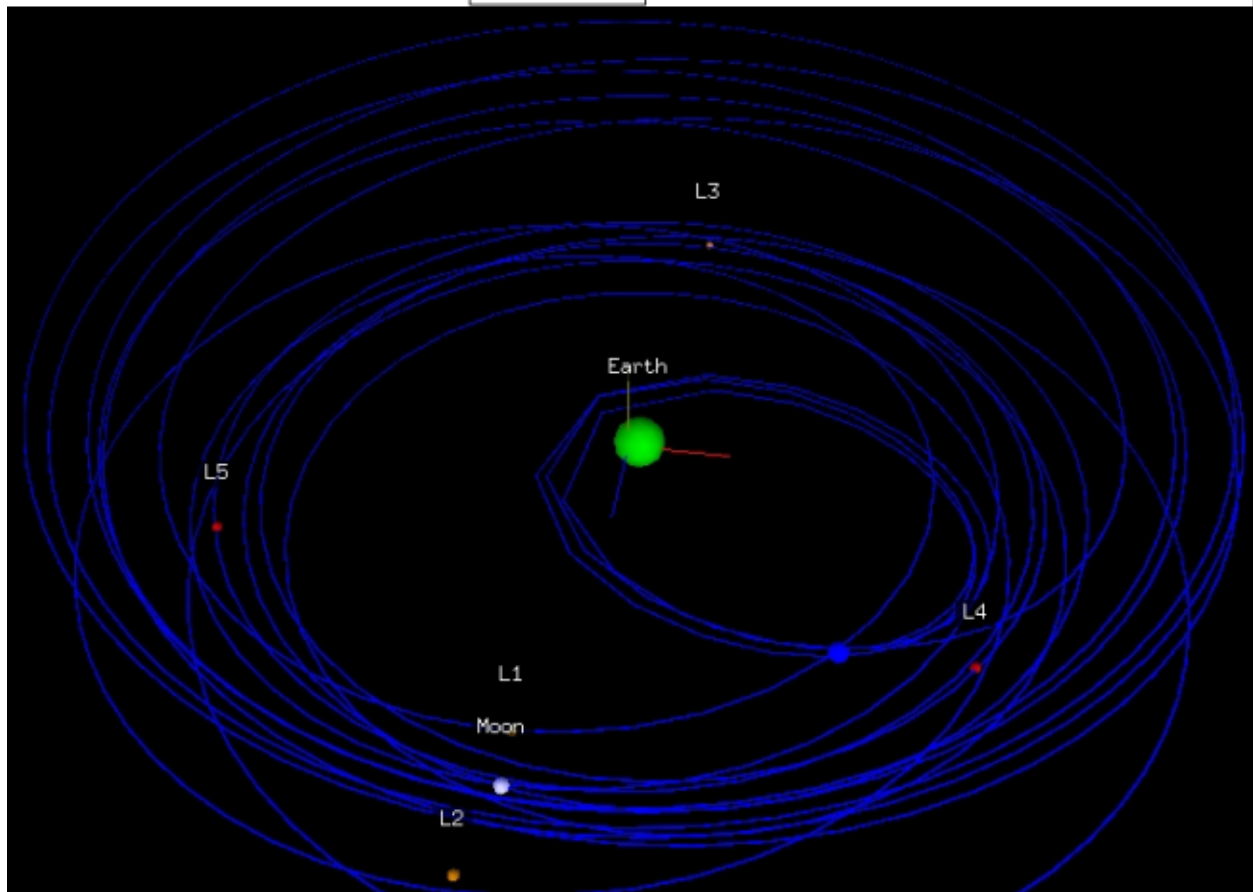

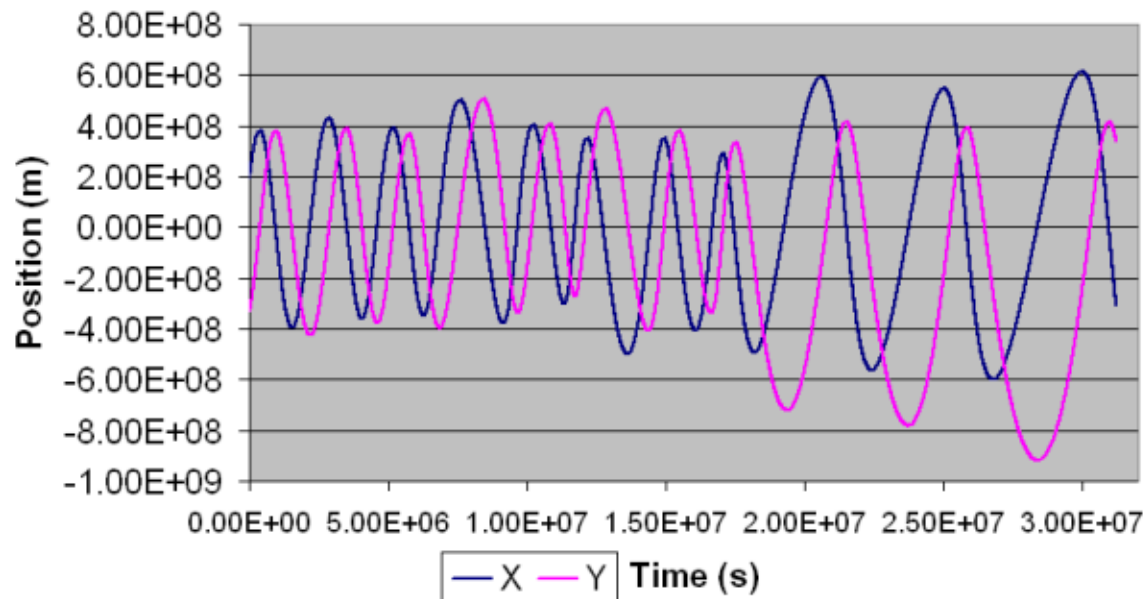

## Lagrange Point 5

## Lagrange Point 4, Ratio = 70

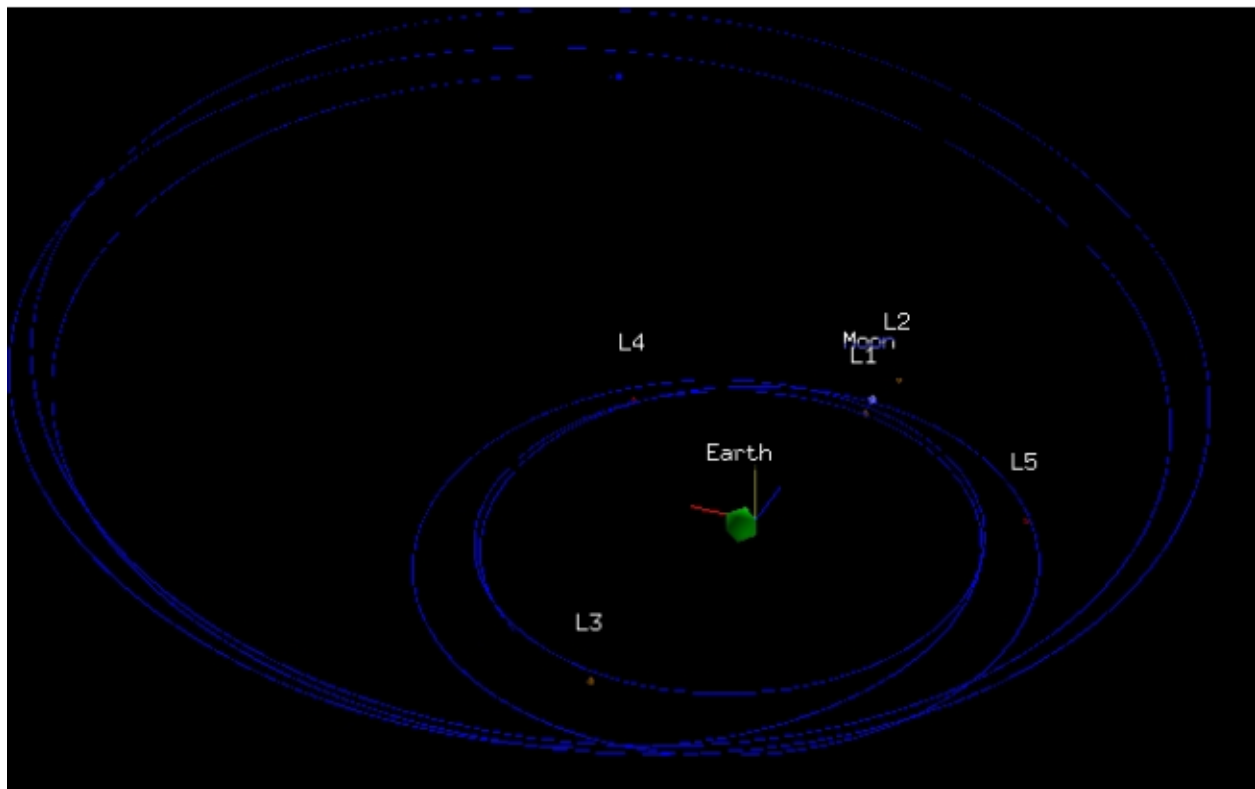

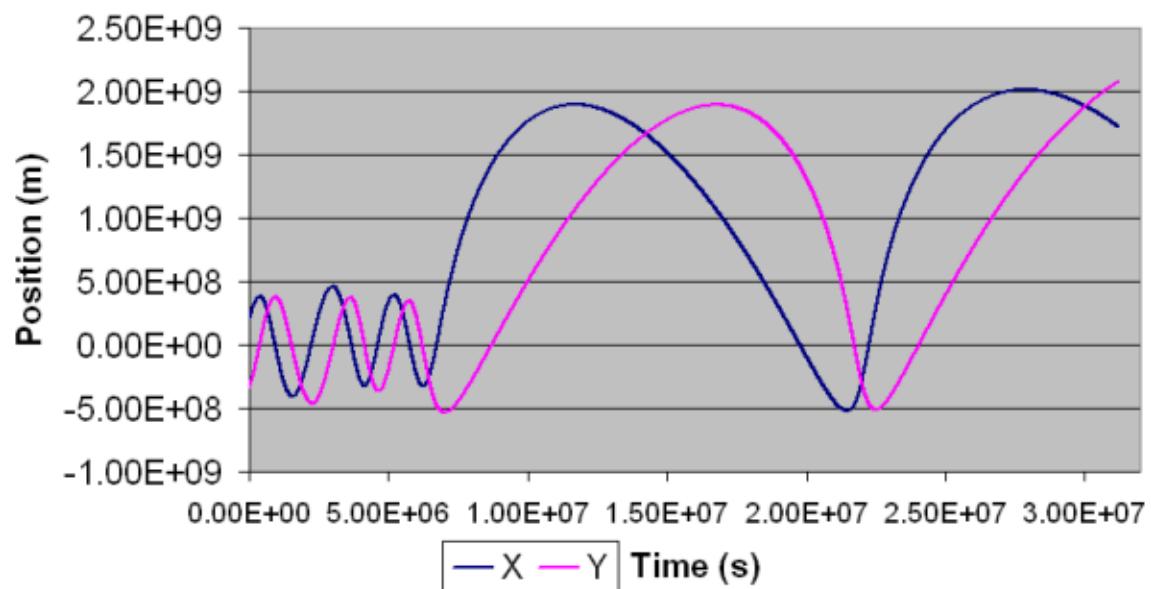

## Lagrange Point 4, Ratio = 40

### Lagrange Point 4, Ratio = 30

### Lagrange Point 4, Ratio = 24.96
